

## OB/GYN

### North-Central Missouri

**Optimum** has partnered with a leading community hospital for an OB/GYN physician to join a seasoned team at a new state-of-the-art facility.

- \$335K base salary guaranteed with RVU incentives
- \$20K yearly-production bonus
- Sign-on bonus and relocation assistance offered
- 2 weeks of CME and 4 weeks of PTO
- Full benefits with retirement plan options
- \$25K loan assistance per year
- 350 births a year, limited high risk, community outreach

### About the Facility:

Located in northcentral Missouri, this hospital is Joint Commission accredited and has been dedicated to their community since 1888. Through growth and innovation this state-of-the-art facility has the latest technology and treatment options for patients; including a new Maternity Center with beautifully appointed private rooms as well as a Women's Center featuring 3-D mammography and full-scope gynecological services.

### About the Location:

Set in a vibrant Midwest community, locals here pride themselves on strong community values – where innovation is born, and families are raised. Known for its friendly people and excellent public schools - this town is nationally ranked in the top 20% of places to purchase a home, by Niche.com. Located just over an hour from Kansas City, you will have easy access to both the comforts of suburbia and the amenities of Missouri's largest city.
