

Pediatrician

📍 Coastal Maine

Optimum has partnered with a 65+ bed hospital in southern Maine in their search for an experienced Pediatrician.

About the Position:

- Day shifts
- Average patient volume: 18
- Competitive compensation with incentive plan
- Sign-on bonus
- Full benefits package
- 30 days of ETO
- CME allowance
- Relocation assistance
- Join established group of six pediatricians

Requirements:

- Day shifts
- Average patient volume: 18

About the Facility:

When you enter the doors of this hospital, you immediately experience a comfortable and healing atmosphere. We have a vision we call, "Loving-Kindness," which simply means we devote ourselves to others. Our medical staff of over 200 primary care physicians and specialists truly believe in being kind, honest and genuine in their approach to patient care. Since opening our doors in 1906, we have grown from a 10-bed hospital to a 65-bed state-of-the-art facility affiliated with Mass General Hospital in Boston, MA. Receiving six consecutive "A" grades in Hospital Safety from Leapfrog, a 4-star CMS rating, and a Healthgrades patient experience rating that is higher than the national average, our organization is committed to caring for the people of southern Maine with compassion and empathy by providing safe, quality health care.

About the Location:

Experience life as it should be by living and working along southern Maine's beautiful coastline. It is not hard to believe that this town has been ranked #1 in Best Places to Live by Niche.com, with its beautiful coastal living, great schools, and close proximity to the cities of Portland, ME, and Boston, MA. Take a stroll on the nearby beaches of York, Wells, and Ogunquit or visit the Nubble Lighthouse. Shop at the outlet malls or dine in some of the best restaurants in the country. It's a lifestyle that most people dream of.
