- Comprehensive benefits package, including:
 - Health and dental insurance
 - Free long-term disability policy
 - Occurrence-based malpractice
 - 403(b) with 3% matching plus 3% annual contributions

About the Health System:

Located in central New York, this health system provides ready access to a full complement of services including: 24/7 Emergency Department; Modern Inpatient Facilities; State of the Art Operating Suites; da Vinci Robotic Surgery; Modern Birthing Center; Outpatient Rehab Center; Hospital-Operated Primary and Specialty Care Practices and a 160-bed Skilled Nursing and Rehab Center.

About the Location:

This community is perfectly situated amid picturesque towns with opportunities for day trips to the Finger Lakes and Adirondack Mountains. Longer travel is just as convenient with easy access to the New York State Thruway. Residents have special energy and a sense of togetherness, actively contributing to the excellent school system and local events. Numerous lakes and woodland trails beckon nature lovers, while nearby festivals, shopping, and dining options satisfy every other interest.
